Mr. Roger Trevino
Niagara Falls Redevelopment, LLC

Thank you for your very generous donation to buy materials for our Fire Prevention/Life safety program. As you may be aware, budget cuts necessitate a "leaning down" of some of our programs, but your donation goes a long way to keep the important work that the Fire Prevention Bureau-in particular Life Safety Educator Al Hornung on-going. I am fully convinced that these programs save lives, especially of young children.

Although we have already thanked Ron Anderluh and Jim Szwedo of the Niagara St. Business Association in person for their assistance in facilitating your donation, please reiterate our gratitude to them.

Sincerely, *Daniel M. Cizek*
