Dear Mr. Trevino,

**Thank you!** Your support of the **2012 Cataract City Classic** will help award scholarships to deserving Niagara Falls High School seniors this spring. Due to your generosity of providing an advertisement in the program book, the Niagara Falls Education Foundation will award thousands of dollars in scholarships to students who have excelled throughout their years within the Niagara Falls School District. Over the past two years, we awarded \$13,000 to students attending colleges in New York State.

The Niagara Falls Education Foundation was created to make a difference in the lives of students throughout the city school district. We are so thankful to you and very proud of our mutual interest to ensure today's students can continue their educational endeavors.

We look forward to presenting the scholarships at the end of the school year to both academic and athletic scholars who will take what they have learned and apply it to their college studies, thanks to you!

Happy Holidays!

continued support! I  
appreciate it very much.  
Thanks again.
