Dear Friends,

Please accept our heartfelt thanks for your support of the 2011 Niagara Falls Firefighters Christmas Toy Fund. Your donation in the amount of \$500 was totaled with numerous others from the Niagara Falls Community to push our total contributions over the \$68,000 mark.

With this money, the Niagara Falls Firefighters Christmas Toy Fund has provided toys for over 1200 underprivileged children, new clothing for nearly 450 people, and a Christmas Party for over 200 nursing home residents.

Due to the long-standing tradition when local businesses and citizens join in donating services along with the hundreds of volunteer hours (that are supplied by firefighters, their families and associates) almost 100% of your donation went directly to assisting the needy of this community this holiday season.

Our best wishes that you and yours had a joyous holiday season. Kindly accept our thanks and hopes that you have a prosperous 2012.

Sincerely,

A handwritten signature in black ink, appearing to read "John Castellani".
